What we're about

Here is a link to our policy and procedures page, Please take the time to read through it.

<https://www.meetup.com/Henderson-Homeschool-Explorers/about/>

We are a group open to all homeschooling families with at least one child five years of age or older living in Henderson, Boulder City, and other nearby south valley communities approximately south of Sunset (e.g., Southern Highlands and Mountain's Edge). Our vision is to have regular park days in Henderson where our kids can get to know some of the same kids each week and where we can receive and offer support as homeschooling parents by fostering friendships at those park days. In addition, we will be setting up activities, some in Henderson and some elsewhere around town. All activities for this group will be posted on Meetup.com, and members will need to RSVP there for all activities. Any member can set up an event for the group on Meetup.com or make suggestions for an event to be scheduled. Consistent with other groups, advertising will not be permitted.

Once you have tried out the group for 30 days you are required to pay a \$10 membership fee to help cover group costs. This is nonrefundable.
